Practices begin the week of January 4.

Games begin Saturday, January 16.

COVID Protocols - Practice

- Practice times will be staggered to allow for time in between.
- JCBC will allow drop-offs this season, and a maximum of 1 parent per child will be allowed inside for practice.
- No court-sharing this season during practice, only one team per court.
- Masks are required inside the building for all adults and children, the only exception will be for the players when they are on the court for practice.
- Coaches must wear masks.
- If your child displays any symptoms of being sick, keep them home from practice.
- There will be separate doors to enter and exit the building.
- There will be no communal basketballs available for practice. Please send the following things for your child for practice if possible: water bottle, basketball, mask

COVID Protocols – Games

- If your child displays any symptoms of being sick, keep them home from the game.
- Only one game will be played at a time to limit the number of people in the building.
- Time in between games will be extended to allow for turnover and sanitation.
- All players must wear masks unless they are in the game.
- All fans must wear masks while inside the building.
- Attendance will be limited to 2 people per player, and chairs will be set up with proper distancing around the court. Please maintain distance between families.
- No food or drink, with the exception of player water bottles allowed in the building.
- No after game team snacks.

COVID Case protocol

- If a member of a team has a confirmed case, that team will suspend all activities for 14 days since that player's last contact with the team.
- The league will attempt to make up any postponed games by the end of the season to ensure a full 8 games for each team.
-

Cancellation/Suspension of Season

- JCBC & JCUMC will be monitoring the following agencies to determine whether the season needs to be suspended or cancelled:
 - The Governor's Office of Georgia
 - Fulton & Forsyth County Schools
