

TOY & GIFT DRIVE

Neighborhood Cooperative Ministry's Merry Market

The Johns Creek Baptist Church and Neighborhood Cooperative Ministries partnership began in 2014 and has become more important every year!

We are delighted to partner with Neighborhood Cooperative Ministries again this year! Our JCBC donations will help fund the supply of gifts offered in the Merry Market where designated volunteer shoppers fulfill the “wish lists” that families have identified for their children.

In 2021 the NCM's Merry Market provided Christmas for 450 families because of the generous contributions and a dedicated support of those who give freely of their time and talents. The Merry Market support comes from churches, community organizations, area businesses and individuals.

The uncertainty of the economy, the level of need, and the need to increase volunteers makes this year a special challenge. We have an opportunity to make sure children will experience the joy and hope of Christmas in 2022 and know that God loves them but so do so many other people in their community.

HERE'S HOW WE CAN MOBILIZE:

- **MAKE A Financial Donation:**
 - **Donating On-Line by selecting “Christmas For Kids”**
 - **Using the special envelope you received through by mail**
 - **Using regular offering envelope & writing “Christmas For Kids” on memo line**
- **Volunteer to work at the Merry Market (December 5 through December 13)**

If you would like to know more or volunteer for the Merry Market:

- **Contact Judy Ward at whererujudy@yahoo.com**
- .

Collectively we will make a difference
